

## Curriculum Vision - PSHE

The school makes a conscious effort to incorporate PSHE into the curriculum, placing a great deal of importance on the children's emotional and mental health and well-being. We use the Jigsaws PSHE scheme of learning which provides a series of sequential 'puzzles' (units of learning) for each year group that follow a common theme.

The themes of learning for each half term are as follows:

- Being Me In My World
- Celebrating Difference
- Dreams and Goals
- Healthy Me
- Relationships
- Changing Me
