

A painting of a desert scene with palm trees and people on camels. The scene is set in a sandy, arid landscape with several palm trees in the foreground and middle ground. A group of people, some on camels, are walking along a path. The sky is a mix of blue and purple, suggesting a sunset or sunrise. The overall style is impressionistic with visible brushstrokes.

# Gospel Acclamation

Glory to you, O Lord,  
You are the word of God;  
Glory to you, Lord Jesus Christ,  
let us receive your Word.

## A reading from the holy Gospel according to Luke

Jesus and his disciples went on their way to Jerusalem. As he came near to Bethany at the Mount of Olives, he sent two disciples ahead with these instructions: **Go to the village and you will find a colt tied up that has never been ridden. Untie it and bring it here. If someone asks you why you are untying it, tell him that the Master needs it.**"

They went on their way and found everything just as Jesus had told them. As they were untying the colt, the owner wanted to know what they were doing. **"The Master needs it,"** they answered, and they took the colt to Jesus.

Then they threw their cloaks over the animal and helped Jesus get on. As he rode on, people spread their cloaks on the road. The large crowd of people began to thank God and praise him in loud voices for all the great things that they had seen:

Praise God.

God bless Him who comes in the name of the Lord!

God bless the King of Israel.

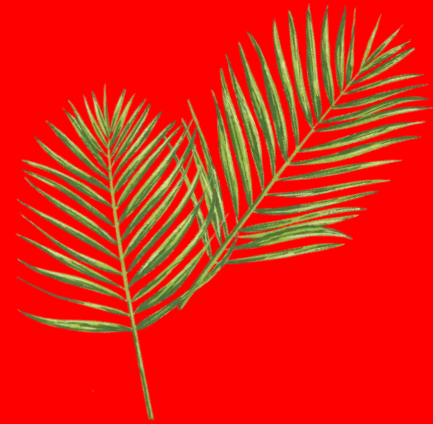

Hosanna to the King.

The Gospel of the Lord.

# Sing Hosanna

Sing hosanna,  
sing hosanna to the King, hosanna!

The children came with olive branches  
They tried to touch Him as He came.  
For they loved Him, they believed Him,  
and they followed Him to Jerusalem.

## Final Hymn

From heav'n you came helpless babe  
enter'd our world, your glory veiled,  
not to be served, but to serve  
and give your life that we might live.

*This is our God, our servant King  
He calls us now to follow Him,  
To bring our lives as a daily offering,  
of worship to the servant King.*

So let us learn how to serve,  
and in our lives enthrone him,  
each other's needs to prefer  
for it is Christ, we're serving.

*This is our God, our servant King  
He calls us now to follow Him,  
To bring our lives as a daily offering,  
of worship to the servant King.*
