## Friday 5th September 2025

This half term, we are growing to be Intentional in the way we live and use the resources of the Earth, guided by conscience; and Prophetic in the example we set to others.

Our Catholic Social Teaching focus for this half term is...

We demonstrate a solidarity with a firm determination to commit ourselves to the common good, treating each other as brothers and sisters, and recognising our interconnectedness and interdependence as part of one human family.

In the words of Pope Leo XIV...

Religious leaders and all who choose the path of peace must stand together.

What an amazing start to the school year we've had!

It has been a real pleasure to welcome the children back after the summer holidays. From the very first day, they have returned with bright smiles, a positive attitude, and a wonderful sense of curiosity that fills St Andrew's with excitement and energy.

We are incredibly proud of how well each and every child has settled into their new classrooms and routines. Whether they've moved into a new year group or are just beginning their journey with us, the children have shown resilience, kindness, and a genuine enthusiasm for learning. It's been a joy to see them reconnect with friends, meet their new teachers, and engage so positively with the learning opportunities on offer.
