

## YEAR 2 RE INSPIRE WORKSHOP - EASTER GARDENS 01.05.25

*Do not be afraid. I know you are looking for Jesus who was crucified. He is not here, he has been raised from the dead just as he said." Matthew 28:3*

On the 1st of May the children of Year 2 enjoyed creating an Easter Garden with a member of their family. The workshop began with a PowerPoint in which the children explained the features that would be included in an Easter Garden. An Easter Garden is a traditional way of remembering what happened on Good Friday. There are usually three crosses for the three who were crucified and a tomb with a round door, the place where the stone was rolled away when the women came looking for Jesus' body. Our Easter Garden will be a lovely reminder of the new life of the new life we believe God gave Jesus and Jesus gives us today.

Parent Comment: My son enjoyed thinking about what he wanted to put into his Easter Garden before the workshop and gathering stones and twigs and leaves he needed. He really enjoyed sharing his ideas for the Easter Garden with me and his friends
