I think I would be a good GIFT Ambassador as I enjoy my faith journey in school, and I am good at planning Masses and assemblies. As a GIFT Ambassador I will set an example to other children by shining like Jesus.

I would like to be a GIFT Ambassador because I try to be like Jesus, and I am kind to others. I can also sing very well, and I am good at planning things.

Please can I be a GIFT Ambassador because I am a good singer and I love saying prayers to Jesus and love praising God.

I think I will be a good GIFT Ambassador because I believe in God, like writing prayers, enjoy craft and helping others. I am willing to give up some of my lunchtime to help plan assemblies and Masses.

Children in Year 3 are invited to write a letter to Mrs Hipkiss or Sister Susan saying why they want to be a Gift Ambassador-
