

YEAR 5 GIFT AMBASSADORS SEASON OF CREATION CELEBRATION OF THE WORD 19.09.25

The Year 5 GIFT Ambassadors planned and led a Season of Creation Celebration of the Word for everyone in school.

What went well:

- Singing 'Thank you God for the Gift of Creation' and the children bringing up gifts during the hymn to place on the Prayer Focus.
 - The candles being lit helped me to get ready to pray
 - The word was proclaimed very well having a different reader for Days 1-6
 - The Creation Tiles helped to show what was happening each day
- The Reflection because we imagined being there when God created the world-it seemed real
- The Bidding Prayers -I liked the way we changed the words to He's Got the Whole World to link in with the prayers and sang it as a response
- The Mission helped us to think about what we can do to protect our school environment and our world
