

## RECEPTION RE INSPIRE WORKSHOP ON THE BIBLE

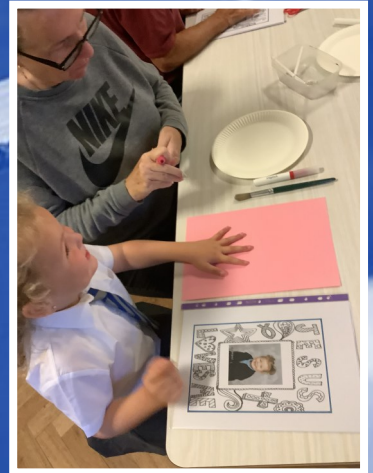

03.10.25

Our Year 6 GIFT Ambassadors led the introduction to this workshop for their Reception Faith Buddies. Family members were invited to join us and both children and adults enjoyed the various activities; from making a Who Made the World paper plate activity, putting the animals into the ark, colouring in a Jesus Loves you sheet and singing biblical songs.

### Parents Comments

- The workshop was so well planned with lots of fun things to do with the children
- Coordinated well-activities explained well-very nice to see Year 6 children involved and all children working together
