

YEAR 6 GIFT AMBASSADORS ELOQUENT AND TRUTHFUL CELEBRATION OF THE WORD PHOTOGRAPHS 12.09.25

The Year 6 GIFT Ambassadors planned and led a Celebration of the Word for the whole school introducing our Catholic Virtues for this half term.

What went well:

- The candles being lit helped us to think about God being with us
- The children explained clearly what our virtues Eloquent and Truthful meant.
- The children read the different parts, Daniel and the King and acted out the story
- The children sharing the lives of people and Saints give us a good role model
- The prayers gave us thoughts about how to live our mission, and we prayed for all those in need
- The Mission went well because it opened our eyes to what we can do for others and how we can live our virtues
