

YEAR 5 RE INSPIRE WORKSHOP - GARDENS OF EDEN

21.10.25

Then the Lord planted a garden in Eden, in the East. He made all kinds of beautiful trees grow there and produce good fruit." Genesis 2:9

On Tuesday 21st of October, Year 5 displayed their creative talents, when taking part in an inspire workshop based on their RE learning about God's wonderful Creation. The children were supported by parents, grandparents and family friends where they created their own versions of the Garden of Eden. The children and adults worked brilliantly together and created some fantastic models.

Parent Comments:

- Children shared scripture beautifully to start-the singing was beautiful
 - Working together to achieve a lovely Garden of Eden
- It was nice to see the children being creative with all of them having different ideas and pictures in their minds and creating what they imagine
